

### Biography:

Stroboscopic flashes, fog and frenzy—Ekserd's heraldic motto is the same as the label's that he is running. Not only is the musical entitlement of Ressort Imprint answering the vision of this young artist from Berlin, it is also his credo.

Driven by his love for hard kicks and driving hats Ekserd makes aware bar after bar why he is here: Because his ressort is set to the dancefloor and nowhere else.

Stroboskopische Blitze, Nebel und Wahnsinn – Ekserds Wappenspruch gleicht dem des von ihm betriebenen Labels. Der musikalische Anspruch von Ressort Imprint entspricht nicht nur der Vision des jungen Berliner Künstlers, er ist auch gleichzeitig sein Credo.

Getrieben von seiner Liebe zu harten Kickdrums und treibenden Hi-Hats macht Ekserd vom ersten bis zum letzten Takt deutlich, warum er hier ist: His ressort is set to the dancefloor and nowhere else.
